

At International Pipe, we take pride in providing the highest-quality steel products to our customers. That's why we're excited to now offer the Bison Tough line of world-class products, known far and wide for their strength and durability. Bison Tough steel fence, gates, panels, and accessories are designed and manufactured by our subsidiary, Bison Pipe, in Jerome, ID.

BUILD IT BISON TOUGH.

Our fencing products can be used for a number of applications and are built to withstand the harshest natural conditions, which is why they're trusted by government agencies, including the Bureau of Land Management and the U.S. Forest Service. We also offer steel gates ranging from 2' to 24,' in various rail and height combinations.

If you're looking for steel fencing, then

RUN WITH THE HERD.
